25 Years of Quality at Princeton

It was 25 years ago on October 3 that the first West Central Illinois Shorthorn Ass'n sale was held at the Bureau County Fairgrounds, Princeton.

A Good Princeton Sale

Open Heifer Brings \$780. First Auction of The Association Makes \$347 Average.

SUMMARY

8 Bulls	\$ 3,160	Ave. \$395
34 Females	\$11,405	Ave. \$336
42 Lots	\$14,565	Ave. \$347

Even the most optimistic of those who took part in the planning of the first sale of the West Central Illinois Shorthorn Ass'n. would hardly have dared to predict the marvelous turnout of breeders from Illinois, Iowa, Wisconsin, Missouri and Indiana that gathered to see this offering paraded through the sale pavilion at the Bureau County Fairgrounds on Friday, October 3, 1947.

Buyers were impressed with the quality of the offering and showed a disposition to pay premium prices for the top cattle. While only eight bulls were sold, those in search of herd bulls found what they sought. An average of \$395 was paid for the bulls, with three of them selling well over the \$500 mark.

Arnold Bros., Sterling, Ill., sent an excellent consignment which included the top bull of the sale, Proud Royal Leader, a thick red by Imp. Cruggleton Proud Prince out of an imported granddaughter of the famed Collynie Royal Leader. Frank Hicks, Marmon, Ill., purchased this 13-month-old calf for \$610.

Only ten dollars away from the top was the grand year-old calf consigned by Countryman Stock Farm, Rochelle, that was purchased by Francis Smith, Prophetstown, for \$600. This blocky red was sired by Edellyn Royal Leader 25th. Walter Schuster returned to his Stockton, Iowa, farm with a low-set youngster in Lancaster's Marshal by Newallyn Field Marshal, consigned by Joel W. Hopkins, Granville. This calf sold for \$540.

Whitaker Bros.' Silver-pon August 10th by Newallyn Field Marshal out of a dam by Edellyn Royal Leader, was a smooth, well-balanced red that caught the eye of all attending. A dozen bidders took part in running this open heifer up to \$780 and it was at that figure that W. C. Walker, Rankin, Ill., became her new owner.

The four heifers in the Arnold Bros.' consignment, sired by Imp. Cruggleton Proud Prince, lacked only a few dollars of averaging \$600. Not only were they as uniform as peas in a pod, but these thick, smooth heifers were carrying the valuable service of Edellyn Reliant Mercury and Shore Acres Achtoi. Herman Alber, Dixon, bought two of them at \$615 and \$595 to add to this excellent new herd. Edward Zumdaahl, Mt. Morris, purchased the top of the consignment, Bonny Broadhooks C, out of an imported dam, for \$670. Lyle H. Wetzell & Son paid \$500 for the fourth heifer. She too was from an imported dam.

The prices remained strong throughout the sale. It was an encouraging first sale for this promising organization and the breeders enthusiastic over its success say they will bring back a bigger and better offering for next year's event. J. E. Halsey was the auctioneer. Hal Longley of The Shorthorn World was the sale manager.

THE SHORTHORN WORLD
October 25, 1947

The Princeton sale is not the oldest sale in the country, but few enjoy its continuous 25-year record. In that period more than 1,250 head of breeding stock and countless club calves have been merchandized to start new herds and reinforce old ones.

The Princeton sale enjoys a fine reputation as an economical source of good ones. The prices have always been profitable to the seller and economical to the buyer. In other words, it's a good, sound cattlemen's sale.

Make a special effort to be at this special anniversary event this year. The selection will be as good as ever.

Shorthorn steers are very popular with showmen throughout the country. They are quick-growing, easy-doing cattle that win their share of the major championships.

THE CLUB CALF SALE STARTS AT 3 p.m.

The steers from this sale have gone on to win many honors. Please note the special awards offered to exhibitors of steers purchased in this sale.

Unfortunately, in order to avoid conflicts with judging days at fairs in the area, other sales, etc., this sale is held on Thursday, in spite of the fact that more boys and girls could probably be in attendance on a Saturday. This means those who do make the effort to come will find more bargains in quality than is normal.

The club calf sale is scheduled last . . . it will start at approximately 3 p.m. In this way, juniors will be able to attend and miss only a minimum amount of time in school.

SPECIAL AWARD

The West Central Illinois Shorthorn Ass'n. will give a \$25 cash award to the exhibitor of any grand champion steer, junior show or 4-H show in any county or state fair if the steer was purchased in the Association's sale at Princeton. One award per steer. If you purchase a steer calf and he wins a championship next summer or fall, contact an officer of the Ass'n. for your award.
